PERSONAL PROJECTS

Business Profile (06/2022 - 08/2022) ⤢
- My freelancing project, in which I designed a business profile website for a financial advisor.

MindLoads Consulting & IT Services ⤢
- This website was created to help in hiring, train users, and get them ready for interviews.

My-Diary (08/2022 - Present) ⤢
- This is a full stack website created by my Me & My friend a note taking website, where you can add, edit, delete and search notes.

Food Ordering Website ⤢
- Using React JS & Bootstrap Css, create a simple website that lists foods in a card format.

Movie Card ⤢
- I developed a movie listing website using ReactJS, employing a stylish card layout. This project served as an early milestone in my web development journey.
